## Vancouver Cruise Terminal - Pickup and Drop Off Information

### Pickup at Vancouver Cruise Terminal:

This location is available for **Cruise Ship Passengers Only**. We drop off in the security area of the port, all passengers getting off at this stop must be boarding a cruise ship.

**PICKUP From Cruise Terminal:** As the passenger disembarks off their cruise ship, pass through customs and look for our agent holding a sign that says 'BC Ferries Connector - Bus Service to Victoria BC' and check with that agent. DO NOT attempt to walk out onto the bus loading area without checking in with the agent! Passengers must bring any luggage with them as they disembark the cruise ship, and bring the luggage to our bus so we can check it in.

### Drop Off at Vancouver Cruise Terminal:

This location is available for Cruise Ship Passengers Only. We pickup in the security area of the port, all passengers getting off at this stop must be boarding a cruise ship.

**DROP OFF at Cruise Terminal:** Please ensure your cruise ship luggage tag is already on your bags and clearly visible before arriving at your pick up location. Ensure all passports, boarding documents and medications are with you or in your carry-on as you will not see the luggage again until you are on-board the cruise ship, as your driver will give the luggage to the staff for your cruise ship, where the luggage will be delivered to your respective cabins.

### Alternatives to Canada Place - Cruise Ship Terminal, if you are not a cruise ship passenger:

For passengers who wish to be picked up in the area of the Vancouver Cruise Ship Terminal - Canada Place, but are not a cruise ship passenger, or are travelling on a date our cruise ship service is not available, we recommend selecting our **Fairmont Waterfront Hotel stop on our Vancouver Hotels route**, as it is located across the street from the Vancouver Cruise Terminal - Canada Place, and is available year-round.
